

Power Up Your Practice

**The smart, simple way to manage new patient enquiries
and grow your dental business.**

DenGro is the UK's leading dental growth platform; built specifically for ambitious dental teams, with over a decade of experience behind it. Whether you're on the front desk or managing the whole practice, DenGro helps you stay organised, responsive, and ready to grow.

Clinical Operations & Excellence

You're the first voice patients hear and DenGro helps you shine.

✓ Everything in one place

All your new patient enquiries from Facebook, Instagram, your website and more — pulled into one simple “Today” page.

✓ Instant replies, automatically

Send personalised, treatment-specific responses via SMS and email — instantly and automatically.

✓ Easy to use, no training needed

DenGro is intuitive and built for busy front-of-house teams. No setup fees. No stress.

✓ Works with your tools

Seamlessly integrates with Dentally, EXACT, Facebook, Instagram, Aerna, and more.

What your manager will love:

- No setup fees
- Unlimited users
- PMS integration
- Clear reporting

What your practice owner wants to know:

- We track marketing
- ROI
- We reduce admin
- We help the team to convert more leads

“DenGro helps me stay on top of every enquiry and makes me look super organised!”

— Receptionist

Headline: Built for dental. Designed for growth

DenGro is packed with features that make life easier for your team and better for your patients.

- ✓ AI Chatbot (24/7 enquiry capture)
- ✓ Unlimited users
- ✓ Automated nurture messages
- ✓ Tagging & segmentation
- ✓ One-click data exports
- ✓ Facebook & Instagram integrations
- ✓ PMS syncing (Dentally, Exact, SfD, Aeronas)

*DenGro is your front-of-house growth engine -
always on, always improving.*

Let's grow your practice together.

No setup fees • Unlimited users • No training required
